

ABS LABOUR FORCE SURVEY
NOVEMBER 1978

HUR200

0001

A 10x10 grid of 100 small, dark, and blurry images. Each image appears to be a low-resolution or noisy version of a larger image, possibly a face or a document page, but the details are obscured by darkness and blurring. The grid is organized into 10 rows and 10 columns, with each cell containing one such image. The overall appearance is that of a dataset of low-quality or corrupted samples.

A 10x10 grid of 100 small, low-resolution images, each showing a different page from a document. The pages contain various tables, charts, and text, suggesting a comprehensive data report or a collection of related documents. The images are arranged in a uniform grid, with each cell containing a single page. The pages vary in content, with some showing dense tables of numbers, others showing charts or graphs, and some showing text-heavy sections. The overall appearance is that of a digital archive or a collection of related documents.
